

DECLARATION OF RADIOACTIVITY-FREE MATERIAL

Object: Legislative Decree No. 101 of 07/31/2020, implementing the Directive 2013/59/ Euratom

With reference to the subject matter herewith, we hereby declare that, in compliance with the provisions of art.72 of Legislative Decree 101/2020, at our establishment in Brescia, a radiometric surveillance program is active.

This program provides radiometric control of all incoming raw materials, and a final control on leaving the factory semi-finished products.

On the basis of this and the results of the checks of the aforementioned surveillance program confirms that all the semi-finished material supplied to you is free from radioactivity.
